

Allstop™ classic

Allstop™ classic is a rug underlay with an Opticoat™ adhesive coating on both sides.

Allstop™ classic prevents carpets and rugs from wandering, protects the reverse side from wear and adheres to the floor without sticking.

Functions

- ✓ Non-slip; reduces the risk of accident
- ✓ Holds the carpet firmly to the floor and prevents crease formation

Advantages

- ✓ Lightweight
- ✓ Easy and fast laying
- ✓ Washable up to 40°

Certifications and quality controls
